### Contact Numbers

There have been a couple of occasions recently when it has been necessary to contact parents when we have been unable to do so due to inaccurate information on the school system. It is **imperative** that we are updated when parents change their mobile telephone numbers. ### The Big Pedal.

We are once again taking part in The Big Pedal 2017 which runs from Monday 20th - Friday 31 March. As last year we encourage pupils, staff and parents to choose two wheels for all or part of their journey to school. On each day of the challenge, schools compete to see who can record the greatest number of pupils, staff and parents cycling or scooting to school. Last year we were placed 2<sup>nd</sup> in the West Midland area. We do appreciate that it is difficult for some children who live a distance from school. We will be competing to become one of the UK's top schools for two-wheeled journeys and will be in with a chance to win prizes including fantastic cycle and scooter storage. All you need to do is encourage your child(ren) to cycle or scoot to school each day during the event, and join them on their way - parent and sibling journeys count too!

Some lunchtimes during the event we shall set up a small course on the playground so children can ride their scooters and bikes to practice their riding skills. On Friday 24<sup>th</sup> and Friday 31<sup>st</sup> March there will be a bike wash at lunchtime where bikes can have a spring clean. We hope also to tie in Red Nose Day on 24<sup>th</sup> with a bike theme - watch this space.....

(Bus children may wish to send bikes and scooters in to leave at school for use at lunchtimes - they can be left at school for the duration and won't count towards the Big Pedal).

With more people walking and cycling to school please be extra vigilant around school and the approaches.
