**Summer fête**

2 days too go!!!

Firstly, thank you for the donations so far the pile is growing daily!

Its approaching fast and we are busy tying up loose ends.

As you can imagine, setting up a fête isn't easy. It's time consuming and stressful but it is all worth it when you see it all coming together and everyone enjoying themselves while contributing to raising money for our children's benefit. We are overwhelmed by the generosity of the local businesses we have approached this year. There are so many wonderful donations varying from money contributions to vouchers and gifts for our auction (see attached list). This support will help us raise more money towards reducing trip costs, providing new equipment and contributing towards the behind the scenes extras for the children.

All help whether it be big or small is very much appreciated and we couldn't be more grateful for the support.

**It would be lovely to see you join us on Saturday and make this years fête, which is probably going to be my last one as chairman, as good as the last few years if not better!**

**Spread the word, tell friends and family.**

**This Saturday**

**1.00-4.00**

**FREE ENTRY**

There will be lots of new and traditional attractions to see and do for all ages.....

Hog roast, coconut shy, pony rides, auction (see attached list), face painting, lucky dip, giant inflatables.....The list goes on and on and on!!

We also have a wood carver coming to do a demonstration in the centre who is donating the finished item to the school.

Stocks has a twist this year, there will be jars with teachers names on so children if you want to see your teacher get wet then put your money into the correct jar starting today and the teacher who has raised the most at 3.30pm on Saturday will get very wet! There is no limit to what you can put in!

Also don't forget

Friday 15<sup>th</sup> July Socs are holding a Family BBQ and fun evening following sports day on the school field. We would be thrilled if you could join us plus it's also a chance for the year 6's to enjoy a fun evening with their friends before leaving Corvedale school.

Starts straight after school finishes and food cooked from 4/430pm onwards.

Kind regards

SOCS
