

PE & Sport Premium Funding

Corvedale Primary School Progress report October 2016 - updated March 2017

The national aims of the funding

The Sport Premium is funding for schools that is ring-fenced for improving the provision for Physical Education and sport for all pupils. The funding period began in 2013/14, and extended each year. Corvedale received £8,280 in 2016/17. A similar figure is anticipated for 2017-18.

Schools have been encouraged to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- how much more inclusive the physical education curriculum has become
- the growth in the range of provisional and alternative sporting activities
- the improvement in partnership work on physical education with other schools and other local partners
- links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

Progress and developments to date

The work to date has established the following:

- A balanced and progressive PE Curriculum that gives variety and covers games, gymnastic, athletic, aquatic and dance activities. The plan is attached in appendix 1 also outlining the key aspirations and needs around this curriculum for the next twelve months
- A specialist Primary PE Teacher has been recruited (Jack Croton) to help meet the requirements outlined in Appendix 1
- Four Concept Indoor Rowing Machines purchased (2015) for lessons and afterschool club
- An afterschool multi-sport club has been set up for younger children every Monday
- An afterschool Dance club established from February 2016
- An afterschool football club with coach Mike Lewis from September 2016
- Links with Ludlow C of E School have been established for a number of years, a programme of sports festivals, tournaments and training. See Appendix 2
- Jumping Jaxx playground games training for years 5 & 6 October 2016
- Exploring the potential for after school coaching in other sports.

The Future

Looking forward to the summer term and beyond there should be some further considerations:

- Ensuring that the children are catered for in the lunch time provision
- Clearly identifying Staff needs in PE provision and sport
- Continuing to build on links with external partners and provide a range of after-school provision that provides opportunities for all children in the school
- Identifying the impact of the provision against the aims of the funding

Corvedale C of E Primary School
Physical Education and Sport Plan 2016-17

Overview of programme

	Autumn 2016		Spring 2017		Summer 2017	
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2

Key Aspirations

The PE curriculum is broad and balanced. It is fun and delivered safely in a range of environments, which develops all physical skills. All pupils receive two hours of timetabled PE and the opportunity to participate in sustainable after school sports and activities that will encourage healthy lifestyle choices. The confidence and competence of staff is good in the delivery of all elements of the PE curriculum with lessons achieving good and outstanding. All pupils make progress and assessment demonstrates rigour. The whole school celebrates the role of physical education and sport and it is recognised as a contributor to overall school achievement.

Sports Premium Fund Spending
