

### Shelter Camp

We are all hoping for fine but cooler weather tomorrow as the children in Class 3 will be building shelters and 'sleeping' in them overnight on the school field. They have been practising tying knots and building practise shelters both in school and at home so should be experts by Friday!!

There are varied activities planned for the evening before they settle down for the night. There will no doubt be some midnight feasts stashed away before hopefully they drop off to sleep.

**Thursday 22 June  
2017**

### Safer Schools

Please find attached (hard copy) a Safer Schools questionnaire. This is something we are encouraged to look at annually. Your comments are really helpful so please complete and return the forms by Thursday 27 June. The children will also be completing a similar questionnaire in school and then the replies will be analysed at a meeting on Friday 30 June when a mix of people (Mr Brough, Local Authority rep, police, parents, site users, and school council reps) will meet to look at the outcomes. If you would like to represent the parents please get in touch.

### Non Uniform Day

A reminder that tomorrow - (Friday 23 June) is a non-uniform day. The 'fine' for this is to donate a suitable prize for the tombola or raffle for the fete on Saturday 01 July.

### Head Lice

Head lice certainly like this time of year!! PLEASE check your child's hair and treat as necessary.

### Rowing Club

Due to after school commitments there will no more rowing club this term. The younger children have thoroughly enjoyed their introduction to rowing and we have some potential stars for the future.

### Dates for the diary

#### June

**W/C 26 June - Week 3 lunch menu**

**Term ends Friday 21 July**

### SOCS Box

### FUN FOR ALL THE FAMILY

Plans are coming together nicely for the fete. A lot of pre planning has gone on which will hopefully lead to a successful day.

As well as lots of other attractions there will be a toy stall and a book stall so please send any donations of good quality items into school over the next week.

If you can spare an hour or so to help run a stall please let Mrs Jones know and she will pass it on.

We do have a couple of volunteers for face painting but could do with extra helpers as this is always popular.
