Monday	Chicken Goujons/Nuggets
Tuesday	Lasagne or Spaghetti Bolognese
Wednesday	Farmhouse Breakfast
Thursday	Roast Dinner
Friday	Burgers, Pizza, or Fish and Chips

It is the **SATs week** for our **Y6** boys and girls next week. The tests have returned after a two year break. We have deliberately tried to keep them fairly low-key. Although we have been making preparations for the tests with revision lessons and practice tests, we've not done as much as previous years. I hope, that like us, the 'powers that be' recognise that current Y6 children all over the country have had a disrupted education for the past two years. There will be chunks of learning the children have missed and therefore our expectations are lower than in previous times. I know our children will still do the best they can.

The weather forecast is for it to be **warm and sunny** next week, please make sure your child has a sun hat and sun cream has been applied before coming to school.

Today is the final day to settle accounts for the **Manorbier residential trip**. Make your final payments on Scopay.

On 20th May it's our **sponsored walk** raising funds for **SOCS**. The whole school from our youngest to the oldest will be walking from school a distance of approximately 4 miles around our beautiful Corvedale. School jumpers/polos must be worn but children are allowed to choose their own suitable leg and foot wear. Children can bring a snack and water bottles. We will be back for lunchtime and any parents wishing to volunteer to walk with us should let the school office know in advance. Look out for sponsor forms which will be sent home early next week.

A final plea from me; please make sure your child knows what they are doing at the end of the school day, whether it's bus, car, after-school club, or a sports. At register time we ask your child to tell us their **hometime arrangement**. We then make a list of who is doing what and going where. It really helps us if your child knows what they are doing and also who is picking them up. I totally understand if circumstances change during the day but please tell us.

Have a wonderful weekend.
Keep safe
Jonathan Brough

SPORTS CLUBS NEXT WEEK —
