

Parking and Fencing

Those of you who have been to school this week will know that we are having some work done on the security fencing. It is taking a little longer than planned so we are having to work around the contractors, but there will be benefits in the long run.

All three buses come up to the school at both ends of the day so we hope that the parking has become a little easier.

Please find attached a slightly amended plan from the one sent out before half term.

Parents Evening

Parents Evenings are on Tuesday 14 and Wednesday 15 November.

Please find the letter attached to request appointments. Please return as soon as possible to aid administration.
