

Parking and Fencing

Thank you for bearing with us with the fencing work. It is nearly at an end; the last part being the gates at the bottom of the playground being swapped round this weekend.

Pond

You may have noticed that we are in the stage of building a pond on the school field. We have been extremely lucky to obtain a grant for this from Shropshire AOB.

The hole has been dug and a liner is on order. We have bought some fence posts for the surrounding fence which, weather permitting will be erected this weekend. Once completed it will be a real asset to the children.

Parents Evening

Please find confirmation of times for those who have requested an appointment for parents evening.

Children in Need

We have decided to try something a little different for Children in Need this year. Why not join us for tea and toast from 8.30am. We will be serving tea, coffee and orange juice together with toast with various spreads. Children arriving by school transport without adults are just as welcome. There will be a charge of 50p for toast and 50p per drink, the proceeds of which will be sent off for the charity.

Wildlife Club

Please find application forms for Wildlife club. Anyone who paid and did not get on last month's list are automatically carried forward - please ask if unsure.

Parent Governor Election

At the time of writing this letter we have only received one nomination. If this remains the case there will be no need for a ballot. However should we receive further nominations by the end of the school day today, ballot papers will be sent home tomorrow night, hard copy with your oldest child.

Please look out for this just in case.
