

## Nativity Play and Carol Service

The children took all the changes in their stride and produced two Baarilliant performances of 'Hey Ewe' the nativity play. Once again the children excelled themselves with their acting and the singing was amazing.

Class 3 and 4 helped to make the Carol Service a magical occasion. Thank you to the teachers for making it all possible.

Special credit goes to Mr Bennett, who taught the children the songs.

## Friday 15 December 2017

## Snow

What a few days we had!! It is never an easy decision to close the school but the conditions at the beginning of the week left us with little choice. Thank you to the snow wardens for ringing round to let everyone know that the school was closed.

Because of inaccurate message posts on social media, rather than our official channels, if we have more snow, closures will only be posted on the Shropshire website, the school website and the school twitter account.

The snowline will not operate.

## Governors Letter

Please find the end of term letter from Dave Hedgley on behalf of the Governors with this week's mailing.

## Christmas Dinner

Heather (and her little band of elves) did a fantastic job yesterday serving nearly 90 dinners.

Deliveries had not got through and usually prep is done the day before so it was a dash to the shops followed by an epic performance to produce such a lovely dinner.

Special thanks to Heather and Mary who have kept the kitchen running over the last two weeks.

## Socs Box

The £50.00 note was won by Ray Foster (Grace's Grandad) who chose the winning square, which was number 04.

The proceeds from the winter fayre, the two raffles at the plays and the £50.00 grid amounted to £1174.67. Thank you to everyone who contributed in any way to this fantastic total.

The children will reap some of the benefits tomorrow when they will be going to the village hall to watch a production of Goldilocks and the Three Bears.

## End of Term Assembly

Do to the disruption of the last week we have decided to postpone the 'end of term' assembly to the first Friday back (05 Jan) at 9.15am.

You will notified if your child has an award on the first day of term.

**02 Jan:** Corvedale Centre for Children re-opens

**03 Jan:** Spring Term starts

**05 Jan:** 'End of Term' Awards Assembly @ 9.15am

## Threadworms

We have had a case of threadworm reported. This is common in children under the age of 10. Can we remind parents the importance of washing hands after visits to the toilet and before meals. If contracted it is important to treat the whole family with treatment available at chemist shops.
