Birthday Treats

There are a number of children in school with allergies/food intolerances/medical conditions. As a consequence when birthday treats are sent into school to share out we usually distribute them at the end of the day and ask the children to take them home before eating them.

It would help us if you are mindful of this when selecting what you send in.

Corvedale Mother and Toddlers Group

Due to curriculum demands on the hall the Mother and Toddler group, who meet weekly have moved their session to Tuesday afternoons.
1.30 - 3.00pm

All welcome - please spread the word

Wrist Watch

A watch has been handed into us and to date has not been claimed; if you or your child has lost one please ask at the office.

Rowing Club

Please note there is no rowing club next week (18 Jan). The next session will be on Thursday 25 January.

Diary Dates

W/C 15 Jan: Week 2 Menu

18 Jan: No Rowing

25 Jan: Rowing Club

26 Jan: Achievement Assembly

01 Feb: Wildlife Watch Club KS2

Craven Arms Discovery Centre have a day of activities to celebrate RSPB Big Birdwatch.

Saturday Discovery Club

11am - 12pm £2.50 per child. A club for 3 - 7 years olds on the last Saturday of every month

27th January - Big Garden Bird Watch Special

Make fantastic bird feeders for this Big Garden Bird Watch Special! Use hogweed stems to build mini beast hibernation habitats and bird identification.

Feathers and Flight 27th January 11am – 3pm

Take part in a hot air balloon flying lesson, spaces are limited and booking is required. Take off and soar over the Shropshire Hills for 90 minutes, learning how to fly the balloon. With an exclusive 10% discount for this event, you can take part for just £170 per person (weather dependant). For those not wanting to leave the ground, you can watch the spectacle from the Centre where you can meet Chris Neal's Falconry Birds of Prey and watch their flight displays. Further details available from The Discovery Centre.

Class 1 have been busy observing their dinosaur eggs with much anticipation!!
