

### Kitchen Update

You may remember that Heather took on the role of cook in December. We are very pleased to say that she has agreed to permanently take on the post.

We are in the process of advertising for a permanent kitchen assistant to work alongside her. The post is 15 hours per week. Anyone interested should contact the office for details and an application form.

Heather, together with Mrs Condra and the school council have conducted a survey of likes and dislikes.

Following the analysis of these results there is a new menu coming out after half term. We hope to have the leaflets available to be sent out next week and it will be posted on the school website.

Please send in any outstanding dinner money so the books can be balanced for half term.
