

### Mother's Day Lunch

What a turnout for the Mother's Day lunch. A big thank you to Heather and Mary who cooked and served 125 dinners. They were peeling and chopping etc., the TA's helped by getting the hall ready and all teaching staff chipped in to cover lunch time duties.

A special mention must go to Mrs Golightly and her band of washer uppers (Oli, Poppy, Arva and Megan). Without being asked they volunteered to help and worked really hard.

Thanks also to Mrs Lines for parcelling up the bulbs as little gifts for all who attended, Abi, Kate and Emma not only stood and gave these out, but babysat a four month old baby as well – (she was fast asleep)!!

A true school effort ably supported by all the parents who came to share the day.

### Snow!!

Well the Beast of the East certainly made its presence felt at the end of last week.

Let's hope that is the end of the winter weather and we can look forward to some nice spring sunshine.

### World Book Day

The result of The Great Corvedale Book Off last week saw Roald Dahl with four books in the final with the BFG coming out as the overall favourite.
