

PE & Sport Premium Funding

Corvedale Primary School Progress report - updated March 2018

The national aims of the funding

The Sport Premium is funding for schools that is ring-fenced for improving the provision for Physical Education and sport for all pupils. For the funding period began in 2016/17 Corvedale received and spent £8,280.

Schools have been encouraged to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- how much more inclusive the physical education curriculum has become
- the growth in the range of provisional and alternative sporting activities
- the improvement in partnership work on physical education with other schools and other local partners
- links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

Progress and developments to date

The work to date has established the following:

- A balanced and progressive PE Curriculum that gives variety and covers games, gymnastic, athletic, aquatic and dance activities.
- A specialist Primary PE Teacher delivering sessions through external staff that are able to deliver good and outstanding lessons and support existing teachers to develop their confidence and competence in delivery of Physical Education
- Schemes of work for each of the year group and each identified elements of the PE curriculum
- Detailed session plans for each session delivered including differentiation for the range of pupils in each class, relevant support resources, and pupil assessment techniques.
- An afterschool multi-sport club with external coach
- An afterschool Dance club with external coach
- An afterschool football club with external coach Mike Lewis
- Links with Ludlow C of E School established for a number of years, with a programme of sports festivals, tournaments and training including transport to and from events
- Four Concept Indoor Rowing Machines purchased (2015) for lessons and afterschool club and entry into local and National competitions
- Jumping Jaxx playground games training for years 5 & 6
- Equipment for active playtimes and lunchtimes
- Forest school activities including transport to and from external sites

The Future

Looking forward to the summer term further considerations:

- Identifying the impact of the provision against the aims of the funding
- Continue to build on links with external partners and provide a range of after-school provision that provides opportunities for all children in the school
- Establish pupil assessment methods
- Intra- school sports events

- Introduction of the Daily Mile
- Bikeability
- Swimming 'top-ups'
- Improvements to outside area to allow 'all-year round' access
