## Update from Mr Brough

I hope you have enjoyed sports day this afternoon. All the children did exceptionally well and wasn't it wonderful to see everyone encouraging and helping each other.

I'm sure you have seen the weather warnings for next week and the extreme heat that has been forecast. I would advise that all children come to school in shorts or skirt with just their polo shirts to keep as cool as possible. We would be grateful if children could come to school with sun lotion applied, sunhats and water bottles. We will attempt to keep the school as ventilated and cool as possible, and outdoor playtimes will be shorter and we will make use of the shaded areas as much as possible.

Nursery children have their party on Tuesday, details have been sent out last week.

Wednesday 20th July is the last day of term for the children. At 2pm there will be our Leaver's Assembly when we say farewell to Archie, Freddie, George, Jay, Toby, Alfie, Isabel, Amber, Emily, Elsie, Isabelle Bo-Flo and Isobel, our Y6 leavers. From September the children will be starting at Ludlow School and Church Stretton School.

As we approach the end of the school year, I would like to take this opportunity to thank all my wonderful staff team who have coped and proved strong through another difficult year. The Covid pandemic lingers on and hit us all hard at some point or other during the last 12 months, for me personally only last week. It has been a year when teachers and teaching assistants have had to adapt teaching programmes and lesson plans to provide for learning that has been missed. For some staff in Nursery they have had to adapt to new ways of working for the first time with us in school. Our new admin team are settling in to their new roles and discovering the complex systems working with so many outside agencies as well as dealing with the everyday smooth running of the school. Our catering and cleaning staff have done a brilliant job feeding the children, - it still amazes me how Heather can cook for and please so many people with her lovely meals every day – and keeping the school clean and tidy.

The new term starts for children on Tuesday 6th September. I hope you all have a peaceful and happy summer break.

Stay safe.

Jonathan Brough
