**School Census**

Three times a year there is a school census when various information is collected by the DfE.

The number of children in KS1 that have a school meal on census day (Thursday 04 October) affects our school funding for the next twelve months. So you will appreciate the more YR-Y2 children who have a meal on Thursday the more our school receives in our budget. On Thursday Heather will be cooking spaghetti bolognaise or a variety of fish followed by jelly, ice-cream or shortbread. This of course is free to YR-Y2 children. Children may try a little taster alongside their packed-lunch as this counts!

**Book Fair**

We have the book fair in school next week. The leaflets sent home tonight give a flavour of what is in the cabinets.

The children will have a chance to look at the books and will bring a wish list home. As always there is no obligation to buy. All sales yield 60% commission for us to stock up the library.

Please feel free to come at look at the books yourselves.
