

## PUPIL PREMIUM FUNDING 2019-20

### What is Pupil Premium?

Pupil Premium is additional funding given to schools and academies to raise the attainment of disadvantaged pupils and close the gap between them and their peers. It was first introduced in April 2011. Since then the amount schools and academies receive has increased. Schools and academies will receive funding based on the number of pupils who have been eligible for free school meals at any point in the last 6 years. Allocation of funding is based on pupils eligible recorded on the January 2019 School Census.

Each school can decide how they spend the pupil premium but will be held to account to show the impact it has had.

### How will we make decisions about the spending of the pupil premium grant?

We will ensure that the Pupil Premium funding is targeted to support disadvantaged pupils.

We will make reference to the latest research and reports on effective deployment of funding to secure improved outcomes for pupils eligible for the pupil premium funding to inform decisions on allocation of funding.

We use analysis of recent patterns and trends in the performance and engagement of pupils eligible for pupil premium compared to other pupils to inform decisions on the most effective ways of spending this funding.

We will involve the Governing Body in planning the spending of this funding.

We will ensure that that deployment of funding reflects and enhances the learning opportunities for all groups of learners eligible for the fund and not just lower attaining pupils.

We will include targeted initiatives which will improve attendance, behaviour or links with parents where these present as barriers for learning for individual or groups of pupils.

We will refine and introduce new initiatives and intervention which are responsive to the needs of pupils through the year.

We will regularly monitor the quality and improvements in outcomes for disadvantaged pupils.

### Number of pupils & pupil premium grant (PPG) received

|  |        |
|--|--------|
| Total number of pupils on role January 2019                    | 84     |
| Total number of pupils eligible for PPG (based on S-pack data) | 8      |
| Amount PPG received per pupil                                  | £1320  |
| Children adopted from care                                     | 0      |
| Allocation per pupil   | £1900  |
| Total amount of PPG received                                   | £10560 |

Objectives of spending PP: In addition to the main aims Corvedale CE Primary School;

- aims for all eligible Y1 & Y2 pupils to make at least expected progress by the end of Key Stage 1 and close the attainment gap between eligible pupils and their peers.
- aims for all KS2 pupils to make at least expected progress per year and close the attainment gap between eligible pupils and their peers.
- aims to ensure floor standards at the end of KS2 are achieved.
- aims to provide extra support to eligible pupils where deemed it would enhance their participation in school life

| Record of PPG planned spending by item/project 2017-18   |                  |   |   |
|--|------------------|---|---|
| Item   | Approximate Cost | Objectives  | Expected Outcomes   |
| TAs to deliver in class support at the children <expected in Y1; <expected in Y4 and <expected in Y5/6 | £6000            | Accelerate the progress of this group of pupils to increase the % of children achieving year group expectations.                                    | Accelerated progress in mental maths skills.<br>Raise attainment in Calculation.<br>Accelerated progress in phonics to close the gap. Raise attainment in Reading and Writing.<br>Close the gap. Give temporary or long-term support to individuals to ensure that any issues are addressed quickly or sustained support is in place. |
| 1:1 Tuition for pupils <expected in Y6   | £1000            | To target pupils who have the greatest gap to national data. To increase the % of pupils achieving age in English and Maths/Reading and Writing.    | Accelerated progress in mental maths skills.<br>Raise attainment in Calculation.<br>Accelerated progress in phonics to close the gap. Raise attainment in Reading and Writing.<br>Close the gap.  |
| Subsidising the cost of school visits and after school clubs   | £1800            | To ensure all pupils have access to school visit to enrich their curriculum, increase first hand experiences and remove the potential cost barrier. |   |
