Headteacher: Mr. J. Brough

Chair of Governors: Mr D. Hedgley

04 May 2020

Good Afternoon,

We hope everyone is safe and well and finding some enjoyment from the activities and resources that have been recommended in last week's class newsletters.

With no changes to the stay at home guidance, we appreciate your efforts to support your child's home learning. Please continue to check the school website for updates, activities, resources and ideas, and let us know how you are getting on. If you have any questions, or wish to discuss elements of home learning further, please don't hesitate to get in touch – Teachers are here during normal school hours, and are accessing emails remotely, so you are welcome to give us a call or send us an email.

It has been so lovely to see the effort and creativity you have demonstrated, that this week we thought we would try out a 'Creative Challenge' for any families who would like to participate. This week we would like you to make a model person or animal, using ordinary household items – Once you have finished your creation, send us a picture (to [admin@corvedaleprimary.co.uk](mailto:admin@corvedaleprimary.co.uk)) so we can see them and showcase your efforts in next week's newsletter.

And Remember...

Stay safe and Well,

*From all at Corvedale CE Primary School*
