Yr 1 Vision Screening

Year 1 Vision Screening is happening next Friday 9th October. If you **do not** wish your child to participate in this, you must return the Opt-Out form sent home last week to School before Friday morning. If you do want your child to receive this check, you do not need to do anything.

Update from Mr Brough

Only three more weeks until half term and although things are still somewhat different in school, some things can still be relied upon such as the autumnal weather. As the weather turns cooler and there is no heating on at school, with well ventilated classrooms please make sure your child is wearing warm school uniform and has a coat to wear outside.

With numbers of COVID-19 confirmations rising, we are trying to ensure the school site is both safe and compliant in these current times. Therefore, we would like to remind all parents and children that they are not to congregate on or around School Grounds please. We are aware that the police are in the local vicinity and carrying out spot checks, and ask for everyone's support and adherence to the rules to ensure we all remain safe and well.

Stay safe and enjoy your weekend.

Mr Brough

Immunisations

Today your child should be bringing home their form for the annual Flu Immunisations taking place in School on Wednesday 14th October. These must be completed to confirm if you do or do not consent to your child receiving this vaccine. Any questions regarding the immunisations, please contact Shropshire Community Health Team using the details provided at the top of the form.
