

## Year 6 Applications

We have been advised by the Local Authority that very few parents have submitted their applications for Secondary Transfer.

The Admissions team have advised that No paper application forms are available until after 31 October 2020 - these applications will then be treated as late and unfortunately the facility for telephone application is not available. Therefore, we urge you to complete your applications for Secondary School as soon as possible to avoid any disappointment.

## Local Goat Required!

The school have been contacted by someone involved in a film production that requires a Goat, and ideally would like to find one locally. The specific breed they are looking for is a British White Saanen goat with no Horns. If you are able to help, or know someone else who has one available, please contact us so we can provide a little more information.

## School Uniform

We now have received the outstanding stock of School Uniform. Please email the school with any requirements and Mrs Pote will confirm your order. Payments can be made by Cash, Cheque or on SCOPAY.

Unfortunately we are still awaiting the PE Bags and Book Bags, but hope to have these back in stock very soon!

Please contact the School Office if you have any questions or queries, many thanks.

## Update from Mr Brough

Next week is the remaining 4 days of the Autumn first half term. The children have done very well to keep going as they have, and I am sure many will be glad of the weeks rest.

Please can children of all classes remember this half terms homework packs should be brought in next week please, even if you have not managed to complete them all. These will help staff with planning for the start of the second half of the Autumn Term. There will be no homework set by teachers for the half term break, in recognition of the hard work and how exhausted everyone is.

Can I also request everyone continues to take as much care as possible to respect the safety measures in place from the school, local community, and the government, so we can play our part in hindering the spread of Coronavirus at this time when infection rates are increasing.

Stay safe and enjoy your weekend.

Mr Brough
