Half term at CCFC

Colin and his team at Corvedale Centre for Children are open for childcare over the half term period, but booking for this is essential as he needs to put certain measures in place dependant on numbers. Please note, if there is not the demand for sessions, then they may not run every day.

Please send all requests and enquiries through on email to:
colinjones54@live.co.uk

Asthma Forms

Attached to this newsletter is the updated schools Asthma form - this is only for those diagnosed with Asthma, who have not yet sent in an updated form this academic year. We would be grateful if you could complete the form and return it with an Inhaler (where one is not already in school), and a photograph of your child, all inside a lidded container (preferably clear). This will allow us to store these more effectively and ensure the information we hold is both correct and relevant to your child. Many thanks for your cooperation.

Update from Mr Brough

We have come to the end of the first half of the Autumn term, and although things have been different to previous years, I hope that the children have enjoyed their return to school in this new academic year.

I know many will be keen to discuss their child's return, progression and learning with their teacher, and we are currently looking into ways of holding parents evening sessions, with further information about this being sent out in November.

We now have a few upcoming events in the school calendar to look forward to, which will allow us to support valuable charities, and enjoy a variety of occasions whilst maintaining our current safety processes.

Should your child develop any symptoms of COVID-19 during the half term break, please can you let the school know as soon as possible. Rest assured that should there be a confirmed case within the school, we would of course notify you as soon as we become aware.

I would like to thank you for the continued support and positive attitude that has been demonstrated throughout this last 8 weeks, and hope you all enjoy a well deserved half term break.

Stay safe and well.

Mr Brough

Parent Governor Election

One of our Parent Governors Victoria Oldhams is at the end of her three year term from the Governing board in November, and we would like to take this opportunity to thank her for all her efforts and support whilst volunteering to be a part of our governing body. Attached to the newsletter this week is a notice of election for this position - please read this information and nominate yourself or anyone else you think would be suited to this position.

SOCS AGM

Don't forget the SOCS AGM is being held via Zoom on 12th November at 7pm #bethereanywhere! Attached to this newsletter is the AGM Agenda and an election form. If you would like to join them or are looking for further information, please don't hesitate to get in touch!

WANTED!

We are looking to replenish our stock of newspapers and cereal boxes for arts and craft activities - If you have any old papers or cereal boxes at home, any donations would be gratefully received! Many thanks.
