Immunisations

The annual Flu Immunisations are taking place in School on Wednesday 14th October. You should have now received a consent form as these were sent home last week (Please contact the office if you cannot locate your copy). These forms must be completed to confirm either if you do, or do not consent to your child receiving this vaccine. We need these in as soon as possible please, many thanks for those already returned. Any questions regarding the immunisations, please contact Shropshire Community Health Team using the details provided at the top of the form.

Update from Mr Brough

Half term is getting closer but there are still nine more 'get-ups' to go. I have noticed that most children are showing signs of tiredness. This is understandable as it has already been a long and tricky term. It is very important for the children to be ready to cope with the busy day ahead, and they can do this by getting plenty of sleep. Please make sure your child gets to bed at a suitable time for a vital good night's sleep.

Once again I must ask everyone to check your child's clothing to make sure it is named. This is particularly important where names have been written on labels; we are finding names have faded and become unreadable. We like to ensure every child I reunited with their belongings, but we are unable to return items of clothing if they are not named. Many thanks for your support with this.

Stay safe and enjoy your weekend.

Mr Brough
