Parent Consultations

With Covid-19 lockdown we are not able to offer you the opportunity for a face-to-face consultation this term.

Rest assured that if we had any concerns whatsoever, we will have contacted you already. However, if you have any concerns we would like to offer you the opportunity to hear how your child is getting on this term. This will be in the form of a short email or a 5 minute telephone call between 3:30 and 6pm during the next two weeks. Please let us know if you would like us to contact you, and how you would like us to get in touch (email or telephone call), and you may also like to include a suitable day/time which we will do our best to accommodate.

If things ease, we hope to resume parents' evenings again in the spring term.

Update from Mr Brough

It has been a wonderful to hold various events in school over the last two weeks. We managed a small remembrance service on 11th November, on the playground to allow for the school bubbles to remain separate whilst we all came together. I was very impressed to see how respectfully all the children observed the two minutes silence.

Children in Need was last Friday, and we managed to raise £96.60 which is a great achievement during such a difficult period. We also had our odd socks for Anti-Bullying Awareness week on Monday, and it was lovely to see so many of the children taking part and showing their support with their mismatched socks.

Next Wednesday we will be filming a project for Christmas. The children in classes 2 & 4 will need either a Christmas jumper and/or a Christmas hat to wear. Class 1 & 3 will need to bring these in on the following Wednesday (2nd December). Christmas Jumpers and hats should not be worn to school.

Many thanks for all your continued cooperation and support at this difficult time.

Stay safe and well.

Mr Brough

New Parent Governor

Following the recent election for a new parent governor, the votes have now been counted and although it was close, we now have the pleasure of confirming that Mrs Heather Southall has been elected into this position.

Our thanks go to both candidates for volunteering to fill this vacancy, and to all who took the time to vote as part of this process.

We would like to congratulate Mrs Southall and we look forward to welcoming her onto our Governing body.
