

Update from Mr Brough

We would like to thank everyone for their patience and cooperation on Thursday of this week with the unfortunate flooding which resulted in the closure of the school. The river at the end of Mill Lane burst it's banks which meant that there was no safe access to the school from the Corvedale Road and therefore there was no other alternative than to take the decision to close the school on the grounds of safety. Thank you again to everyone for your understanding.

We would also like to thank everyone who have taken the time to donate their used Pringles tubes to school, we now have plenty in school for the upcoming DT project, which is fantastic, and therefore do not require anymore donations, thank you.

We would just like to remind everyone in Reception, Year 1 and Nursery that **Forest School** will be taking place every Tuesday afternoon, and all children are required to bring their waterproofs and wellington boots into school in order to take part please.

Due to last Thursday's unexpected closure, **House Activities** have been pushed back a week, therefore this week it is St Michaels (Green House) turn to go to Forest School. All children attending will need their waterproofs and wellies in school please.

I hope you all have an enjoyable weekend.

★ Star of the Week! ★

Class 1— Thomas R, Henry and John

Class 2— Fynley and Mia

Class 3— Rosie S and George M

PE and Sport

Well done to the Year 6's who took part in another Hockey training session at Moor Park on Tuesday. They have shown a huge amount of progress since their first session, it was very impressive to see such motivation, skill and teamwork between them all.

Great job!
