- The Admissions team at Shropshire Council have asked us to relay the following message to parents of children who were born between **1 September 2017 and 31 August 2018:**

Please ensure that applications for a school place is made by midnight (23:59) on Saturday 15 January 2022 if you wish for your child to attend a Shropshire local authority school. Even if parents plan to defer the date their child will start school until later in the 2022/23 academic year, you will still need to make a formal application for a school place. If parents of a summer-born child plan to defer starting Reception until September 2023, they should also apply for a school place now along with a request for a deferral. Parents of pre-school children who are known to us, should already have received a letter and instructions of how to apply online. New arrivals may not have received this letter. If you are aware of any parents who have difficulty in applying, I would be grateful if you could ask them to contact the School Admissions Team well in advance of the closing date.

A booklet entitled the Parents' Guide to Education is available on our website
