This week in school...

Thank you to everyone that managed to join us for the Harvest Festival Service on Wednesday. I think you will all agree the children did an absolutely fantastic job. A special thanks goes out to Father John and also Mr Bennett, who always manages to create such professional vocal arrangements. The children should all be extremely proud of themselves. We would also like to thank you for all the donations which went to Ludlow Food Bank.

Thanks again to everyone that completed the afterschool arrangements form again last week; I know it might seem tedious to be completing this weekly, but as we move from paper to electronic registers it is paramount that our afterschool system is as safe as it can possibly be. This form will make sure that there should be no errors, however, for it to work we need every parent to take the time to complete the form please. Thank you so much for your assistance. Please find the link to this week's form below and remember the link is only open until 12pm on Monday:

Finally, just a quick reminder to all parents of children in year 6—the deadline for applications to secondary school falls over the half term and as this year is a larger than average year group it is essential they are completed on time to ensure you are allocated your school of choice. If you require support with the application, please contact the school office.
